

# Stay connected with *The Cook Podcast*.

Hi everyone,

As we continue to listen to your feedback, we've heard lots of interesting ideas and suggestions on how to improve the company. One of those ideas was to create a company podcast. We are giving this a try to give all employees a new option for connecting with each other and the company.

This booklet includes instructions on how to subscribe to The Cook Podcast from your desktop computer or iPhone. If you have any other type of phone, there are a variety of podcast apps, like Podcast Addict and Pocket Cast.

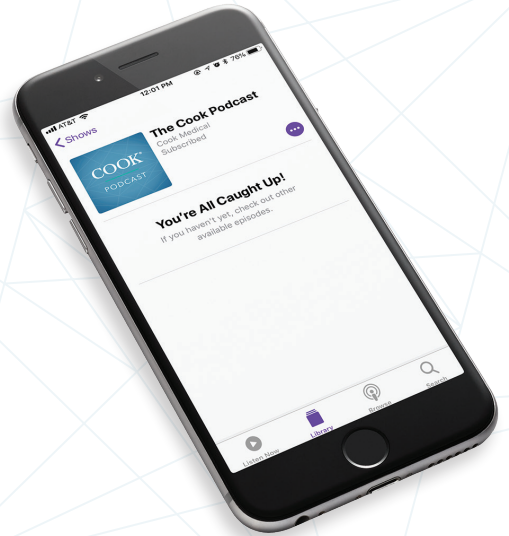

Contact [CookPodcast@CookMedical.com](mailto:CookPodcast@CookMedical.com) if you have any questions about how to subscribe to the podcast on your device.

Because we are trying something new, we want to hear your feedback. Please send your feedback, thoughts, or questions to me at [Pete.Yonkman@CookMedical.com](mailto:Pete.Yonkman@CookMedical.com) or [Questions@CookMedical.com](mailto:Questions@CookMedical.com).

— Pete
